Extract paragraph 14 of the address presented tp His Excellency the Governor of Bombay, by the Gadag-Betgeri Municipality on the 16th Oct. 1947.

14. Release of Settlers at Gadag Settlement :- I wish to bring to the notice of Your Excellency that the release of settlers at Gada appears to be premature. These settlers being habitual offenders, their release is likely to affect the public safety during these critical days when there is scarcity of food and clothing. Their release is most inopportune as they are a sort of nuisance to the public safety. It is reported that the settlements at Ahmedabad Sholapur and Bijapur are stll maintained a t would be quite prejudicial to release Gadag only. Thi- I think, will be a menace to the safety of Gadag and neighbouring villages as well. The Government will, I hope, do the needful in the matter at least till normal times come.

Reference Government Endorsement, Education and Industries Department, No.S.176/1246-J dated the 28th January 1948, on the subject noted above calling for remarks.

I enclose the letter No.C.T.690 dated the 5th Ma: 1948 received from the Assistant Backward Class Officer, Southern Circle, Dharwar from which it may be seen that the allegations contained in Para 14 of the address presented to His Excellency the Governor of Bombay by the Gadag-Betgeri Municipality on the 16th October 1947 are based on inferences which are proved to be incorrect on a reference to the facts and figures of crimes etc. The President, Gadag-Betgeri Municipality may be informed accordingly if approved.

From the inquiries made with the President of the ~~President of the~~ Gadag - Betgeri Municipality through the Settlement Manager, Gadag, it is seen that there are no concrete examples to show that the releases of settlers and the deregistration of the licensees are a nuisance to the public. The President informed that specially the Haran Shikaries steal corns and field produce the value of which is small; but they threaten the watchman of the fields and the aggrieved party does not lodge a complaint through fear of being revenged. The President therefore considers that some kind of arramgement should be made to have a check over these Haran Shikaries.

After the orders of G.R.H.D.No.1549/5 of 16-7-1947, 11 registered persons and 65 dependents (Haran Shikaris) were let off. Of these 2 registered persons and 13 dependents are in Gadag Taluka and 3 registered persons plus 19 dependents in the Gadag Free Colony and the rest are in other Talukas. As the number of Haran Shikaris in the settlement and the Free Colony is small, the S.M. can have effieient check over their movements. If any body is caught, for misbehaving, the S.M. can take action against them. The President may also be asked to inform the Police and the Settlement authorities if any concrete example comes to his notice. The S.M. has been asked to watch the movements of the Haran Shikaris at Gadag and take action if they misbehave. (S.M's endorsement No.169 of 3-3-1948 is enclosed).

Asst. Backward Class Officer,

The Gadag-Betgiri Municipality had presented to His Excellency the Governor of Bombay on the 16th October 1947, that the release of the settlers at Gadag appears to be premature and that they may not be relaxed till normal times prevail.

The Backward Class Officer was asked to make enquiries and give his views in the matter. From the Backward Class Officer's report it appears that there is no truth in the allegations contained in paragraph 14 of the adress presented by the Municipality. The President of the Municipality may be informed on the lines of the Backward Class Officer's letter dated the 31st May 1948. The letter may issue.
